

## Visit to Kiel's 30th Birthday

Kiel in Germany was SI Dewsbury's first friendship link, 16 years ago. We were invited to visit them for their 30th Birthday in May. A party of members last visited in 2008.

Elaine and Pat accepted the offer of hospitality to visit Kiel recently.

Pat reports: "This time we met up again with Brigitte, Gertraud, Christine, Maria, Stefanie and Anne (my old friend Hilde was in England at the Chelsea Flower Show!) meeting new friends Irmgard, Petra and Anette to name but a few. We visited the Viking Museum at Haithabu, Schleswig Cathedral, had a boat trip from Kiel to Laboe, a Kiel City walk and attended their evening Birthday Party meeting the Austrian SI European Vice President. We enjoyed superb friendship and hospitality."

Outside it was always wet and windy for taking many photos! Inside, –not always appropriate!
